Cultural heritage and diversity: STEPS project. Heritage is implicated in the complex social processes in which people – individuals or communities – identify those things that are of value to be passed over to future generations. These include practices and traditions, as well as the web of meanings that reinforce the ideas of belonging and communality and are part of place-making.

## **(PDF) Cultural diversity, cultural heritage and human ...**

Cultural diversity is the quality of diverse or different cultures, as opposed to monoculture, the global monoculture, or a homogenization of cultures, akin to cultural decay. The phrase cultural diversity can also refer to having different cultures respect each other's differences. The phrase "cultural diversity" is also sometimes used to mean the variety of human societies or cultures in a specific region, or in the world as a whole. Globalization is often said to have a negative effect on the
