Problems in materialism and culture: Selected essays ...

Cultural materialism is a theory which views culture as a productive process, focusing on arts such as literature. Within this culture art is translated as a social use of material means of production. The concept of "literature" is seen as a social development, which according to Williams, only truly developed between the 18th and 19th century, within our culture.

Raymond Williams Theory Of Cultural Materialism English ...

One of Williams' major works is Culture and Society that studies the culture of the West. His Culture and Society (1958) is a departure from conventional ideas about culture. In this book, he nullifies the idea that culture is a result of material conditions. His view is that cultural forms contribute to the development of society.
