Exploring Our Interconnected Universe . Through intensive research and groundbreaking experimentation, we explore the interconnection between personal, inner spaces and the "outer space" of our shared reality.

IONS Possibility Accelerator Experience Experience

I'm Dean Radin, Chief Scientist at the Institute of Noetic Sciences. I have been engaged in scientific research at the frontiers of consciousness for nearly 40 years. I was in graduate school when IONS was founded in 1973, and I thought that its mission, described then as exploring the outer limits of inner space, was just as exciting — maybe even more so — than exploring the limits of ...

Exploring Inner space (1961 edition) | Open Library

The meaning of spirituality has developed and expanded over time, and various connotations can be found alongside each other. Traditionally, spirituality referred to a religious process of re-formation which "aims to recover the original shape of man", oriented at "the image of God" as exemplified by the founders and sacred texts of the religions of the world.
