The Ashes Of London

The Ashes of London refers to the location of this historical murder mystery as it is set during the Great Fire of London of September 1666, and the months immediately after the fire. However the title also alludes to a country suffering the ashes and blood following the turmoil of the Civil War, the killing of Charles 1, and the failed Republic.

The Ashes of London (Marwood and Lovett, #1) by Andrew Taylor

The Ashes of London tells a gripping story which takes place in the wake of the Great Fire of London. Taylor is particularly adept at the historical novel in that his stories make one feel quite present: one can smell the smells, hear the sounds. It can feel so real as to be startling. (His earlier work, Bleeding Heart Square, was a case in point).

where members of the royal court and their adversaries are murdered at a time of revenge and retribution.

The Ashes of London by Andrew Taylor - Goodreads

The story begins on September 4, 1666, while London was still burning and onlookers were gathered before St. Paul's Cathedral, which stood at the highest point of the city and was believed to have been impregnable.

Review of "The Ashes of London" by Andrew Taylor ...

The Ashes of London is an absorbing, intricately plotted historical mystery set in Restoration London in the aftermath of the Great Fire; indeed the book opens with one of the main characters - lowly clerk, James Marwood - standing amid the crowds one night in early September 1666 watching in horror as St. Paul's Cathedral is burned almost to the ground. He saves the life of a boy by dragging him away from the flames, only to discover that "he" is a "she" when she struggles ...

The Ashes of London by Andrew Taylor : All About Romance

Ashes of London By Andrew Taylor. It's 1666 and the Great Fire of London is raging, but bodies are being found that have nothing to do with the flames. The burnt landscape of 17th century London is wonderfully grimy and decadent. Through the eyes of young Whitehall clerk, James Marwood and Catherine Lovett, the disgraced daughter of a once rich Regicide, we see people from all walks of life.

THE ASHES OF LONDON finds James Marwood on a mission for the British government to track down a killer. It seems that among the ashes and rubble of the fire, two separate bodies were found. Evidence on the corpses, including stab wounds, showed that each man was a murder victim and had not been killed by the fire.

Australia. The Ashes are regarded as being held by the team that most recently won the series. If the series is drawn, the team that currently holds the Ashes retains the trophy.

The Ashes - Wikipedia

In the UK, you can scatter ashes everywhere from the park, to the beach, to your loved one's favourite sports stadium. Most landowners are happy for ashes to be scattered on their land, but it's worth contacting them to get permission first.
