Among the surprising and inspiring points Tharp makes in The Collaborative Habit: -Nothing forces change more dramatically than a new partnership. -In a good collaboration, differences between partners mean that one plus one will always equal more than two. A good collaborator is easier to find than a good friend.

Collaborators aren't born, they're made. Or, to be more precise, built, a day at a time, through practice, through attention, through discipline, through passion and commitment — and, most of all, through habit. A book I wrote a few years ago, The Creative Habit, began with an account of what was then my daily ritual. Up at 5:50 .

Dancer and choreographer Twyla Tharp has done us a great service in reflecting on and sharing her decades of experience as creator and collaborator in The Collaborative Habit: Life Lessons for Working Together. This is a book I've revisited many times since it was first published in 2009. I'm still learning from it.

### **Twyla Tharp on the Practice of Collaboration - McGee's Musings**

Whether you are a painter, musician, businessperson, or simply an individual yearning to put your creativity to use, The Creative Habit provides you with 32 practical exercises based on the lessons Twyla Tharp has learned in her remarkable 35-year career. In "Where's Your Pencil?" Tharp reminds you to observe the world - and get it down on paper.
