Doug Lipman) "Inspiration, Influence, and persuasion through the art of storytelling" A book by a storyteller/organizational consultant shows how storytelling complements the needs of people in organizations - and leads to lasting, mutual communities of influence.

The Story Factor - by Annette Simmons

It highlights the importance of stories to influence others and shows the essential elements of an effective story. There is no doubt that the age-old art of story telling is making a major comeback. The reason is that stories - even short one-liners - can evoke emotional responses and engage people at a deeper level, when facts just leave them cold.
